THE RECTOR WRITES...

I Remember, I Remember ...

So begin the words of a Poem by Thomas Hood. I don't know about you but I wake up most mornings thinking about what I have to remember each day! "Where are my glasses?", "Where's my diary?", "What's my latest password?" all these things, in their own way, require me to remember something.

Remembering is an essential part of our daily lives and when we come to this new month of November we see that it is very much a time for remembering.

November 1st is All Saints Day, an opportunity for believers to remember all saints and martyrs, known and unknown, throughout Christian history and to give thanks for their lives and example.

November 5th is Bonfire Night, a time to remember “Gunpowder, treason and plot” when in 1605 Guy Fawkes made his unsuccessful attempt to blow up the Houses of Parliament.

November 10th is Remembrance Sunday (the nearest Sunday to November 11th). Remembrance Day is a special day set aside to remember all those men and women who were killed and injured during the two World Wars and in continuing conflicts. At one time the day was known as **Armistice Day** and was renamed **Remembrance Day** after the Second World War.

In Psalm 143 in the Bible the writer says this, *“I remember the days of long ago; I meditate on all your works and consider what your hands have done.”*

Our “remembering” is not about nostalgia, not about us hankering for the “good old days” of the past – it is more about us recalling in a right way those things from the past that make for peace, stability and prosperity today. The word “remember” is used more than 230 times in the Bible to remind us that the Christian faith is about “counting our blessings” and remembering just what God has done for us in the past...when we do that, I hope and pray, that it will move us on to trust Him for the future. May God bless you as you “remember” during this month.

Rev Colin Gale

Some words of a Hymn that is sung on Remembrance Sunday (these words are based upon an ancient Prayer of St. Francis)

**Make me a channel of your peace.
Where there is hatred let me bring your love.
Where there is injury, your pardon, Lord
And where there's doubt, true faith in you.**

**Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul.**

MESSY CHURCH is on Sun 24th November at 4.00pm

PARISH COUNCIL NEWS

Your Village Website www.burstowpc.co.uk

November – the month of fireworks, so we hope that we can wake the Parish up with a bang by starting the Burstow Volunteers' Register! This is launched elsewhere in the magazine (*see p14, 15*) and is, we hope, the start of something big that can encompass all areas of the Parish/Village, where time and assistance is needed to help those people and schemes in our community. We have to start somewhere, and getting a list of those who are prepared to help seems a sensible place! There will be a lot more of this over the next months, so please – watch this space!

November – this is the name of the group who raise money for prostate cancer during the month of November by not shaving thus growing moustaches – this is obviously the male members of our community!! If you have joined this elite band and have a particularly 'grand Tash' please send a photo and we will publish the best ones next month!!

With the help of the Local Committee and the Highways Team, we have finally managed to get the lower stretch of Redehall Road re-surfaced! This so nearly slipped through the loop, due to be delayed by 3 or 4 years – we had a verbal question to put before the Local Committee Meeting and were ready to go in all guns blazing when we were delighted to be told that the funding was coming from them, the Local Committee, not the Horizon Project, and the work is to be done the end of October/ beginning of November, making the lives of those who live beside the road a chance to sleep a bit better!! My thanks go to County Councillor Michael Sydney, Steve Cunnah and Colin Pearce! – I hope you have noticed that the pavement along Effingham Road has also been widened from the narrow, dangerous strip and can now occupy two people and a dog! The local gang, run by the same team, helped us with that – brilliant!

We were at the Appeal Court in the middle of October to respond to the Appeal from two allotment holders at Burstow Allotments (backed by Copthorne Village Association), who had lost the high court case that they had taken against Burstow Parish Council, stating that we had used the wrong act to ask the Secretary of State to de-regulate the land for our Local Housing project, which he granted us. It was fascinating to listen to the debating – which was over very small points, meanings of words, intentions of meanings of words etc, and it took a good few hours. Do we know the result? Not yet and we have no idea how long it will take to have the judgement passed down, but we will publish it as soon as we know.

At long last the pond in Redehall Road is beginning to fill up! There is a bit more work to do around the site – we are hoping to plant bluebells or wild garlic plants/bulbs amongst the trees, taking out the two or three dead trees that have not been cleared yet and the soil will be spread around the

back – but it is really beautiful on a still night with the moonlight and the reflection of the landing planes – a great photo opportunity!

The Humps and Bumps Committee continue to meet, Councillor Bob Locke has started a Badminton Club and the SpeedWatch training has also started – open to anyone to try even if they feel that they cannot commit! (Please contact Bob via Jeannie). We are walking the public footpaths to identify work needed to be done and we are working hard setting the Budget –thus your Parish Council continue working!

Council Meetings to be held in November :

Tuesday 12th November 7.00pm Planning Committee
7.30pm Full Council

Tuesday 26th November 7.00pm Planning Committee
7.15pm Projects Committee / (possibly Projects Committee if budget matters need to be put before committee before January Full council Meeting)

Enjoy the fireworks!

VIOLET (SALLY) WILLOUGHBY

13.09.1916 - 18.09.2013

There must still be many people in Smallfield who remember Sally Willoughby. She lived for many years, with husband Ken and their three children, in Perrylands Lane. She was employed in the offices of Norton Tool Co. Ltd. and took a keen interest in village activities: singing in the Church choir, helping to run the local Girl Guides and playing a variety of roles in the plays and pantomimes produced by The Fellowship Players.

On retirement she and Ken went to live in Wales where, sadly, Ken died. Sally then went to live with her married daughter in Stourport-on-Severn. Still interested in Guiding, she enjoyed several adventurous holidays abroad with the Trefoil Guild and also took up a number of creative hobbies, making new friends as she did so. Walking her beloved dog was another pastime.

Inevitably, age and infirmity took their toll, but Sally never lost her zest for life until her last brief illness, when she decided it was time to rest. She will be remembered with affection by all who knew her.

BURSTOW PAROCHIAL CHARITIES

These charities exist for the benefit of the residents of both Burstow (including Smallfield), and Outwood parishes.

Each December payments, in the form of vouchers to be used at named shops, are issued. They are given to the "needy", elderly or long term incapacitated. Students receiving further education may also be helped, with the donation of book tokens.

If you think that you might qualify to receive help, or you know of anyone who would, please contact the Rector, (details below) Any applications will be brought to the attention of the committee which meets in November.

PRESCRIPTIONS - PLEASE DON'T BE TEMPTED

We really have a lot to be thankful for in terms of the range of services in Smallfield : the Post Office, Butchers, Hairdressers, DIY store, Greengrocers, mini-supermarket- and most of all our Chemists. That is why a notice handed to me by a village friend caught my attention.

There is a service being promoted under the heading ' NHS Prescription Service' - with a reminder that you can get NHS prescriptions delivered by post. The senders, a commercial business, are quite entitled to mount this type of promotion, but for me it carries a risk to our local chemists.

All of our local businesses survive because they are supported by enough of you to make them viable, but the Chemist is a particularly important service for those with medical problems and the elderly, as well as being very handy for other products. The filling of prescriptions is an important element of their service, and I would urge you to think twice before opting for an alternative that could have an adverse effect on them. Our chemist is a great asset to us, and many villages don't have one, so please don't be tempted.

Coney (Pepper) took over as our new Exercise Instructor when the class restarted after the summer break on Friday 27th September. As a bonus, she brought with her several badly needed and welcome new members. Coney has given the class a new lease of life and it is so good to see it thriving again.

This year we have been beset by problems both in the Art Class and the Drop-In, and still they continue. Some have been, and are, difficult to overcome. We, have as yet, been unable to arrange a date for the Annual General Meeting. We hope this will be in November, as usual, and the date will be announced shortly.

The next Table Top Sale will be on Friday, 6th December. We thank you all for your support of these sales.

SMALLFIELD AND DISTRICT AVIATION GROUP

The next meeting is at 7 pm on Tuesday 5th November in the Centenary Hall and will be 'Victor B2 Pilot During the Cuban Crisis', by Fred Rivett. Britain's Cold War nuclear deterrent force during the October 1962 Cuban Crisis comprised the Avro Vulcan and the Handley Page Victor bombers. Our speaker is of the firm opinion that the Victor could do everything that the delta winged Vulcan could do - only better. It should be an interesting evening and may help to answer the rumour that the Victor could go supersonic in a dive.

During the October meeting we heard from Mike Littleton the story of 'Bristol Airport – Past, Present and Future', from its opening in 1930 as the UK's first Municipal Airport to its wartime years when it was the centre for civilian flights, with passengers being blindfolded and taken from the city centre to the airport so they did not know where it was, to the move in the 1950s to a new site which is now in the top 8 busiest UK airports

Visitors are most welcome to just come along to a meeting, admission is £3 for the evening and the 2014 Annual Subscription will be £15, (£5 for those under 20) including refreshments and Newsletter. The phone number for further information is 01342 842594.

Our next meeting is on Wednesday 6th November at 2.30pm at the Scout Hut in Redehall Road, Smallfield. We welcome a speaker from the British Legion. The stall will be 50p items. Visitors are always welcome.

Ivy Hollingshead

BURSTOW WOMEN'S INSTITUTE

At our meeting on 8th October the speaker was Mrs. Maggie Stoker, who explained the work of Pets As Therapy. This is a charity whose volunteers take their carefully chosen dogs and cats into establishments such as hospitals, hospices, schools and nursing homes, so that people who may once have kept pets can again have contact with a friendly dog or cat. To illustrate her talk, Maggie brought along her beautiful ginger cat, 'Alfie', who graciously permitted members of the audience to stroke him afterwards.

The painting competition for the Toni Hastilow Rosebowl, judged by Mrs. Nina Nunes, was won jointly by Betty Blackburn's study in pastels of a red telephone box in the snow and Alison Brown's delicate watercolour of a fawn. Mr. Derek Booth judged the photography competition for the President's Cup, which was won by Joan Lamb with her lovely close-up of some snowdrops. The competition for a Hallowe'en Pumpkin attracted some spooky and amusing entries and was won by Sue Booth.

There will be a meeting of the Book Club on 19th November at a member's house.

The next meeting, on 12th November, will be our Annual Meeting, when officers and committee members are elected and cups are awarded. Instead of a speaker, there will be a dessert tasting and a quiz. The competition is for a flower arrangement entitled "Fireworks".

New members are always welcome, so please come along to one of our meetings to see whether you'd like to join. Meetings are held on the second Tuesday of each month, starting at 2pm in St. Bartholomew's Church Hall, Redehall Road, Smallfield. For further information, please ring Sue on 01342 842087.

YOUR COMMUNITY NEEDS YOU

Help is needed in our local area. If you can give a day, a few hours or even minutes to helping with any of the following, please sign up on our Register of Good Neighbours. What you are prepared to do – how often and when is entirely up to you – but with a register we can use all those small bits of time, collate them and make a big difference!

I don't know if you heard that lady on the radio the other day talking about her carers having so little time that she had not had a bath for six months and that although they were very pleasant people, not enough time was allocated for those carers to spend time socialising and talking to her. We all know of people, in our community, who are isolated and just need help with simple everyday things that most of us take for granted - from wrapping presents when you have arthritis in your hands to getting to a doctor's appointment or the shops.

As funding from Central Government begins to dry up and grants to County and Districts is being cut back drastically, we can all see the effect this is having on services, particularly in our own Neighbourhood. So, in Burstow, we intend to do more to help improve this situation for our own community.

There are three specific areas in which we are taking action and, to borrow the famous slogan of almost 100 years ago, this is where "your community needs you".

First, we are now setting up, with the help of Surrey Community Action, a **Good Neighbours Scheme and Voluntary Car Scheme**. Similar schemes have already been adopted by over fifty percent of parishes in Surrey. The main purpose of this scheme is to enable residents who are unable to use public transport to be driven to an appointment by a volunteer, who will also bring them back home. This might be a hospital appointment, a visit to the hairdresser or even a visit to old friends who could not otherwise be seen. Not only will these be invaluable services but they will also allow those who live alone or who need respite when they themselves are caring for others, to be able to get out and socialise and feel less isolated. Experience elsewhere has also shown that those who offer their services, which will be paid for, enjoy the pleasure they give.

Second, and as winter approaches, we will also be working with Tandridge on the **'Snow Angels' Scheme**. The purpose of this scheme is simply to

clear pavements to the shops, surgery and chemists should there be a heavy fall of snow that the District Council will not be able to cope with in a timely manner. You will soon notice posters around the parish asking for help to make this scheme work.

Finally, we are looking for more volunteers to help with our ongoing **Tidy Up Campaign**. Living in a tidy, attractive environment is also important. I know it was all provided in times gone by – but that is a luxury which won't continue without some input from ourselves. We are therefore also seeking helpers to tidy up the village and surrounding areas within the Parish. Volunteers have already undertaken work in the last year or so, for example in restoring the pond in Redehall Road and planting bulbs at the village gates. We have also secured monies from Surrey County Council to employ workers to clear parts of the highway and the Rights of Way, but there are undoubtedly other areas that could do with a bit of TLC. Perhaps there is an area near your home which has that annoying bramble hanging over a wall or a patch of grass which might look a bit prettier in spring with a few bulbs planted or a few weeds pulled out. If we all adopted a small area, or if you let us know where you would like some clearance done, you will be amazed at how quickly the area will be 'tidied up'!

These are just three schemes – I am sure you can all think of other things where help will be required – but to bring it all together the Parish Council is now setting up a **Burstow Good Neighbours Register**. Most of us have really busy lives and we would not expect everyone to drop everything and promise to work all hours, but if you could give a couple of hours a month, a day a year or are willing to sit and talk to someone for half an hour, we will have a Register and know that, even though it may not always be convenient for that particular day, you would not mind someone contacting you to see if we could use some of that time to help our neighbours and environment.

If you wish to put your name forward or would just like to find out more, please contact myself, Liz Cutter, or our Parish Clerk, Jeannie Crosby, at the Parish Office in Centenary Hall – 01342 841880 or on the website – www.burstowpc.co.uk

BURSTOW CHURCH CHRISTMAS FAIR

The Fair will take place at Smallfield Church Hall on Saturday, 16th November from 9.30 a.m. until 12 noon.

Mark the date in your diary to come along and see what there is on offer! There will be many things to purchase including small traditional Christmas cakes, other cakes and various goodies, a variety of greetings cards, some X-stitched fridge magnets and good quality bric-brac items.

Try your luck with the Bucket Money Raffle Draw (which runs several times throughout the morning and is quite lucrative!), the Main Raffle, subsidiary raffles, and the tombola stall (every ticket is a winner) and other side attractions.

If you wish to just 'pop in' there are hot drinks and delicious hot bacon rolls to purchase. You could meet up with your friends after shopping in the village to simply enjoy the refreshments and have a chat.

So, come on in and visit the Fair to brighten up what just might be, a grey November morning.

A THANK YOU FROM GVS

The GVS Team would like to thank you for supporting The World's Biggest Coffee Morning raffle, which took place on Friday 27th September 2013, in The Insider Café, on the GVS premises on Plough Road, Smallfield.

GVS Assist opened the café to the local community as well as staff, which resulted in over 100 people attending the morning. Fresh Coffee, donated by local coffee supplier, The Fresh Coffee Company, was prepared by three of GVS' highly skilled Baristas and was in great demand. The staff of GVS baked a huge selection of homemade cakes and a raffle took place with prizes donated by local businesses.

In total over £600 was raised by the coffee morning with all proceeds of the day going to Macmillan Cancer Support .

Once again, thank you for your continued support.

CAMEO

I really enjoyed returning to Cameo after missing two meetings. The cakes were even tastier than I remembered and it was good to see some new faces among the familiar ones.

We had talk, a song and a discussion on Angels which was led by Colin, the Rector. Then back to chatter and more tea. Do come and join us on the first Friday of the month at 2 pm in Smallfield Church Hall. There is always someone to listen to you and give you support.

PROPOSED DEVELOPMENT AT 2 PERRYLANDS LANE

Blockade Services Ltd has applied to Surrey County Council for planning permission for the continuation of the use of a soil processing facility involving the importation of soils and rubble from excavation and construction projects to allow the periodic use of a concrete crusher in place of a soil screener, and an amended Dust Action Plan.

Blockade wishes to put the concrete crusher in the same location as the current soil screener in the eastern part of this area near to the M23. The crusher would be brought in to the site on a periodic basis, probably a small number of days per month. When this occurs, the screener would be removed from the site to free up the space required. Consequently the screener and crusher would not be on site nor operating together at any time.

Blockade has provided a noise assessment to demonstrate the level of noise from using the crusher on site is no greater than the use of the screener and has provided a Dust Action Plan for the crusher.

Copies of the application plans and other documents submitted with the application can be inspected at Horley Help Shop at 4 Victoria Square, Consort Way during office hours.

If you wish to make representations about this application you should write to Planning Development Control Team Manager, Planning and Development Group, Surrey County Council, Kingston-upon-Thames, Surrey KT1 2DY by 11 November. Email MWCD@surreycc.gov.uk

MAKE SURE YOUR NAME IS ON THE ELECTORAL REGISTER

In a change to previous years, all councils, including Tandridge District Council, will be carrying out the annual canvass for the Register of Electors from the beginning of October to the end of January 2014. A change in the regulations means there will no longer be a qualifying date for people to be living at the property to qualify to register.

A form will be sent to all households in the district and you are asked to return this form as soon as possible. If the Council does not get a reply, a reminder will be sent in November and if the form has still not been received by the end of November, a canvasser will visit those households to collect the form. The information from the canvass will be used to update the Electoral Register, which will be published on 17 February 2014.

Opting out of the edited register. An edited version of the electoral register is available from the Council for sale to any person, company or organisation and can be used for any purpose, including marketing. Residents can opt out of having their names included on the edited register, if they do not opt out their names will appear.

DON'T BE A BONFIRE NUISANCE

Tandridge's Environmental Health team is reminding residents there are other ways to dispose of garden waste, apart from having a bonfire.

Autumn can generate piles of garden waste and it may be tempting to have one or more bonfires to get rid of it. Damp vegetation does not burn well as it produces large volumes of smoke and smoulders for long periods of time.

Ideally garden waste should be composted and reused in the garden. For information about subsidised home compost bins, or how to join the waiting list for a garden waste bin, see www.tandridge.gov.uk/greenwaste, e-mail gardenwaste@tandridge.gov.uk, or call 01883 722000.

There is no law against having a bonfire, although it is an offence for the smoke to cause a nuisance. .

Visit www.tandridge.gov.uk/bonfires for more information, or call Environmental Health on 01883 722000, e-mail customerservices@tandridge.gov.uk for a leaflet.

WE WANT TO HEAR FROM YOU!

We would like to see more people contributing to *Parish News*. Perhaps you are a fairly new reader ... saw *Parish News* for the first time since it went on the web last year. Is there something that you like/dislike about the local area/village? Is there something you think it lacks? Have you an interesting story or hobby? Have you seen an unusual bird/animal/plant? *PN* would like to have your views and news.

DO THE VILLAGE GROUPS YOU HAVE JOINED GET IN *PARISH NEWS*?

If not, they would be doing themselves and the village a favour by doing so! Now that *Parish News* is on the web as well as in printed form, it is even more readily available. If your Group does not already have a magazine correspondent, consider getting one of its members to take on this position.

Parish News is happy to accept contributions in a variety of ways - handwritten or typed and delivered/sent either to the editors' address or sent by e-mail (see page 1 for details).

All the articles in the magazine will be on the web version, so details of coming events, accounts of your activities, appeals for members, etc can all reach a wide audience in the village.

HINTS FOR CONTRIBUTORS

When you are giving information about coming events, remember to make sure you include all these details:

Day of the week, Date, Time, Place

If your Group has a regular meeting schedule (for example, second Thursday of each month) by all means say so, but remember to give the actual date as well. Avoid writing "At next month's meeting..." (it may be next month when you write it but it won't be when readers see it), but rather write, for example, "At our April meeting..."
